Federal and state regulations allow Dominican to credit your federal and state financial aid funds to your student account for payment of tuition, fees, and on-campus room and board charges (allowable charges). You have the option to authorize the University to apply Title IV funds to other charges related to your attendance. If you do not authorize the University to apply Title IV funds to these other charges, you may have an account balance that would require an out-of-pocket payment. These charges and payments will appear on your student account statement issued by the Business Services Office.

Examples of Federal Title IV Aid

- Pell Grant
- Supplemental Education Opportunity Grant (SEOG)
- TEACH Grant
- Direct Stafford Loans
- Direct PLUS Loans

Examples of Non-Allowable Charges

- Course Fees
- Library fines
- Dorm damage fines
- Book advances
- Late payment fees
- Returned Check fee
- Prior term charges (other than for tuition, fees, room and board)
- Other approved charges

PLEASE CHECK THE APPROPRIATE BOX BELOW:

- ☐ I AUTHORIZE my Title IV funds to pay non-allowable charges incurred with the University.
- ☐ I DO NOT AUTHORIZE my Title IV funds to pay non-allowable charges incurred with the University. I understand that I may have an account balance that I am responsible for paying out-of-pocket.
